ALIQUIPPA HIGH SCHOOL
ALIQUIPPA, PENNSYLVANIA

for 1957

FOR COUNSELING AND GUIDANCE in the choice of high school courses, higher education, and careers, Aliquippa High School students turn to Guidance Director Dominic Carifo. Seniors Brian Mravic (seated left) and Susan Moore discuss their ideas and plans with Mr. Carifo.

a

forward look

DIPLOMAS come next, after seniors Fred Delisio, Margaret Kimak, Stella Dudziak, Laura Cappella, and Tom Tomer receive their caps and gowns from Miss Sellari.

To prepare for the future . . .

WITH LIBRARY RESEARCH necessary for their investigative themes, Helene Fedorchak, Marilyn Centifanti, and John Sakal typify many students who appreciate the wealth of knowledge we have only to reach for and use.

We Study
We Experiment

TESTING the uses and effects of chemical elements requires the concentration of student-chemists Dave Neft, Mike Ditka, Steve Fedorchak, Kevin Cooney, and Frank Piotrowski with Mr. Fazio, instructor.

We Observe

PROPER SELECTION, use of machinery and tools is learned by vocational machinists under the direction of Mr. Hodge (center, rear). Foreground: Guy Martini, L. to r.: Larry Garuccio, Tom Abayes, Bill Hines, Ed Haney.

WE RECOGNIZE scholarship, character, leadership, and service. Mary Ann Diaddigo lights candles for the impressive National Honor Society ceremony.

We Practice

COUNTING VOTES for November's mock-election, Mr. Smith, assistant principal and history department chairman, is aided by students from freshman, junior, and senior history classes.

We like a touch of glamour . . .

QUEEN PALMA SCARAZZO

Court members Arlene Buffalini, Mary Murphy, Betty Cabot, and Patty Polis surround Queen Palma.

Football Queen

Election of Aliquippa High School's Football Queen is a project initiated by the Science-Movie Club this year. From candidates nominated by senior and junior homerooms, our Queen was elected by vote of upperclassmen. Following announcement of her selection at the Aliquippa-Erie Tech game, Queen Palma reigned at a S-M Club dance on Saturday, October 13.

Posture Queen

The Good Posture program, an annual event of senior girls' health classes, is sponsored by arrangement of senior health instructor Mrs. Nadine Ujevich with the Earl Wheeler School of Charm. Miss Good Posture of 1956 was selected by Miss Eleanor Schano, a Wheeler representative.

Queen Maureen Oleska receives her crown from Miss Schano with runners-up Laura Cappella (left) and Betty Ronyecz.

. . . and four queens we have to prove it.

Laurel Queen candidate

Shortly after commencement, Aliquippa High School's candidate will join other senior girls from high schools all over the state in the annual Laurel Festival held in Wellsboro, Pa. Initiated by the Wellsboro Chamber of Commerce, the Festival, so-called in commemoration of our state flower, is climaxed by an elaborate pageant at which a Laurel Queen reigns. Our candidate and her alternate were elected by their classmates from a group of ten senior homeroom nominees.

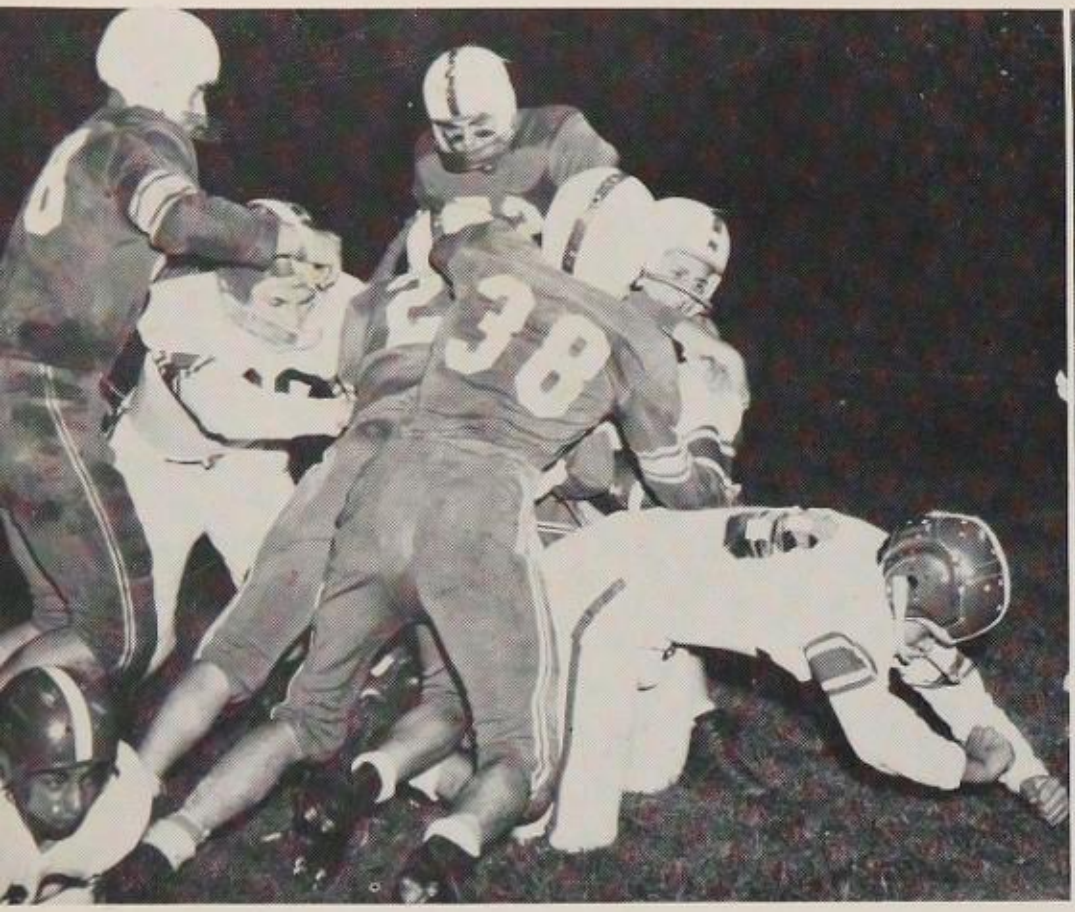
Candidate Margie Dougherty (right) and Betty Cabot, alternate.

Queen of Homemakers

Attaining the highest score in a written examination on homemaking knowledge and aptitudes given to senior girls, Aliquippa's Betty Crocker Homemaker of Tomorrow is eligible to compete for state and national honors and scholarships in the General Mills' contest.

Home Economics Department Head Mrs. Helen W. Ciriacy pins the Homemaker of Tomorrow award pin on Sheila Kier.

Special events and activities fill our year with work

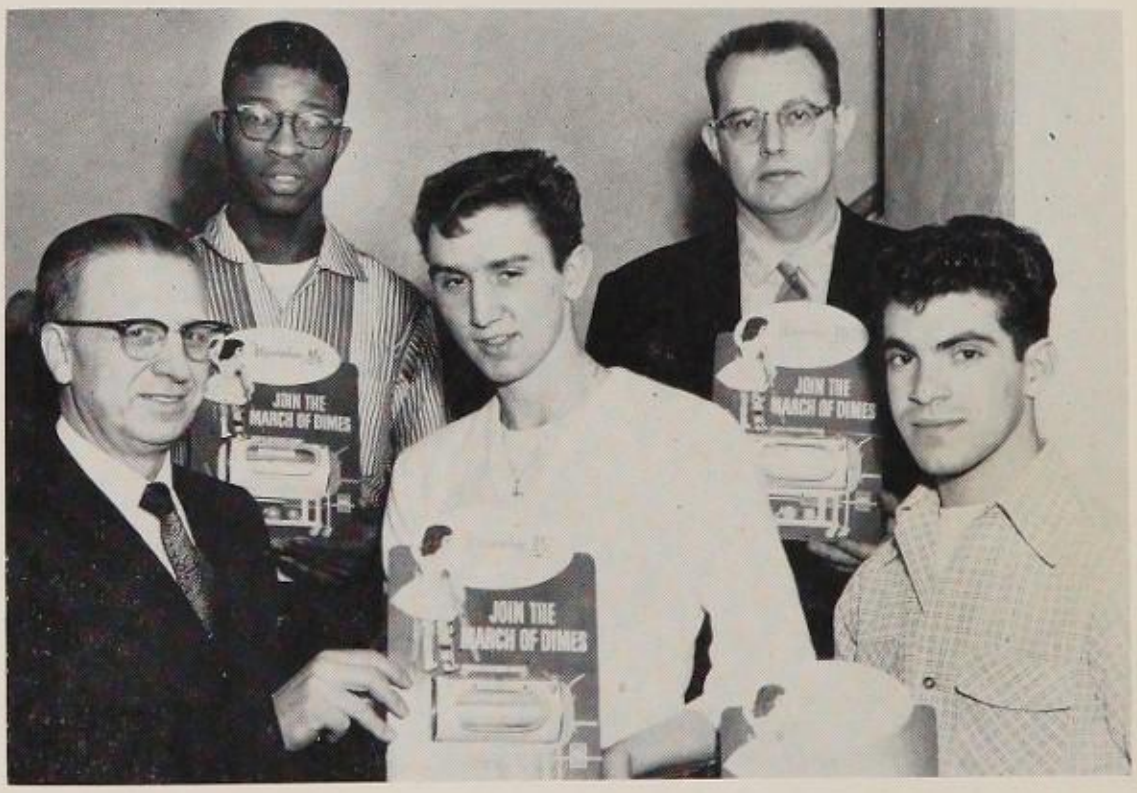


DRIVING HARD for the Red & Black, our gridiron heroes oppose the Ellwood City Wolverines.

GET IN THERE! says Basketball Coach Uram, and from here it looks as if they **all** will!

Service

Typical of the services performed by school organizations, the distribution of March of Dimes containers throughout Aliquippa was conducted by the Hi-Y. At right, front—Postmaster Earl Cummings, Bill Piocquidio, Alfred D'Ottavio; rear—Bill Roberts, Donald Adams, Hi-Y sponsor.



BANDSMAN Andy Babich, like his fellow instrumentalists, gives his all for dear ol' Aliquippa High.

and plenty of fun too!

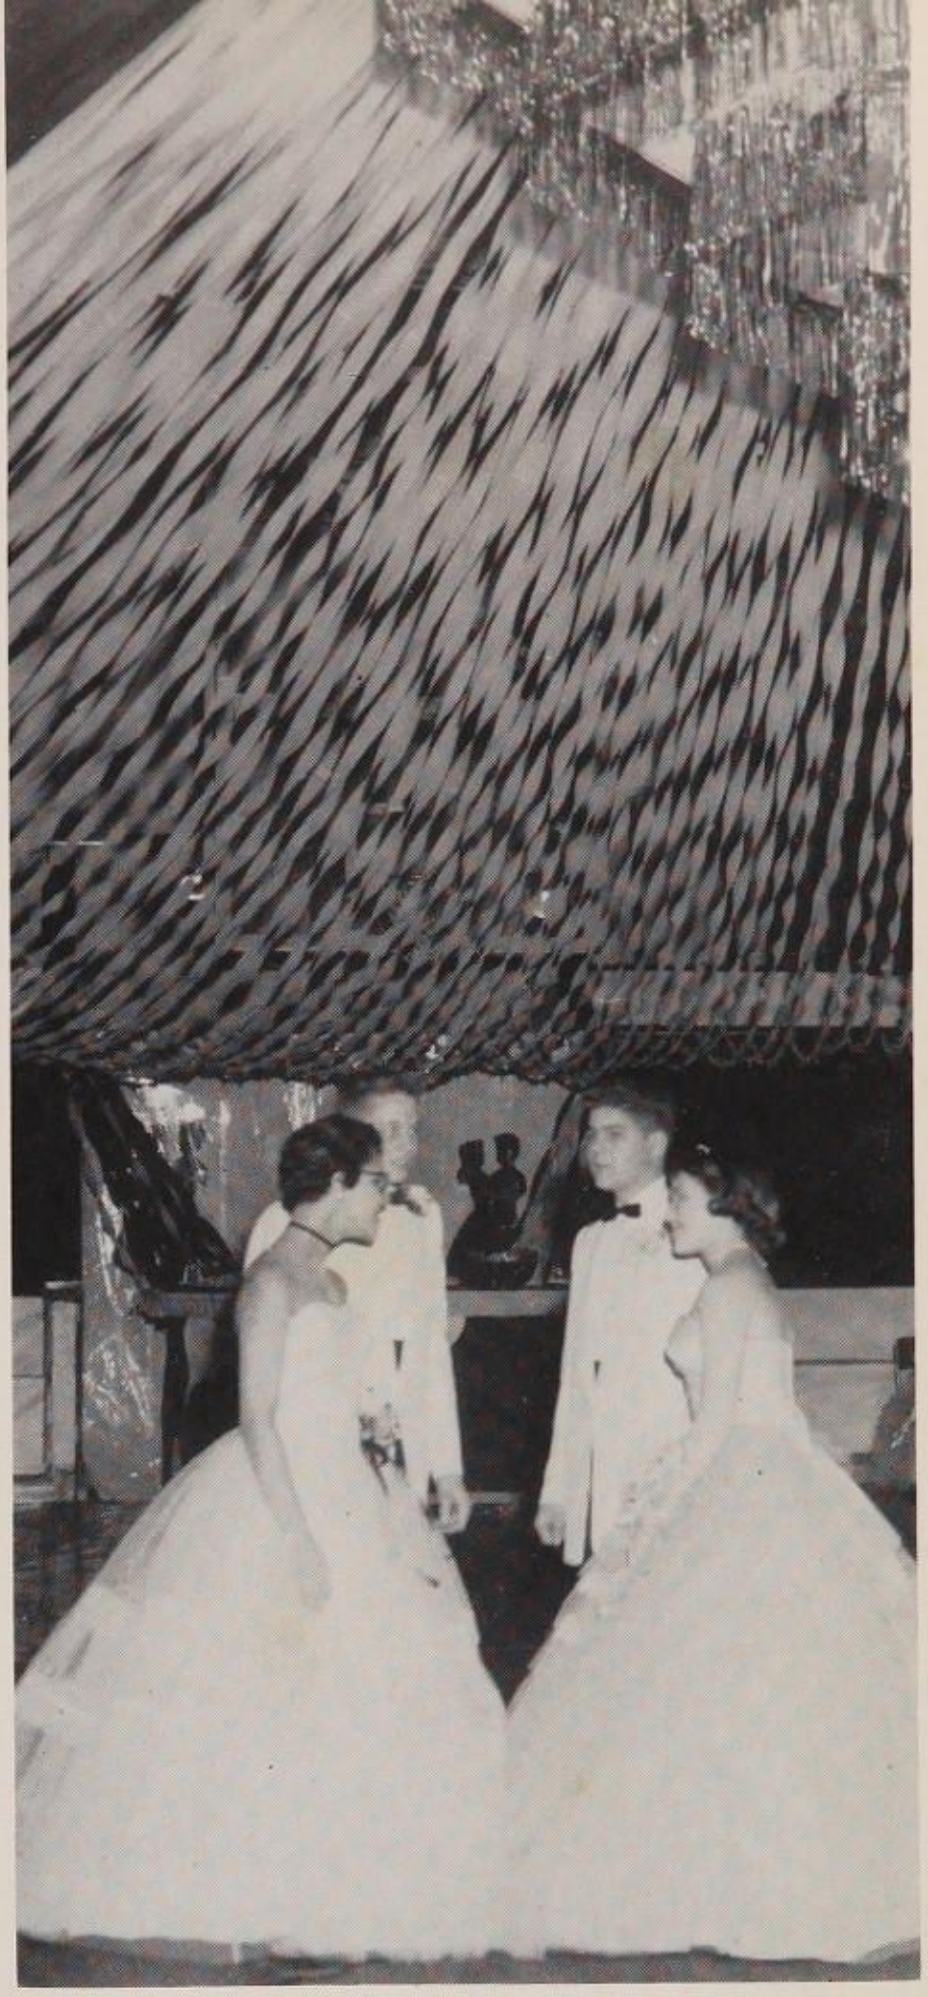
AT RIGHT: l. to r.—Elaine Kreisberg, Logan Brubaker, Richard Yacopino, and Lynn Hineman.

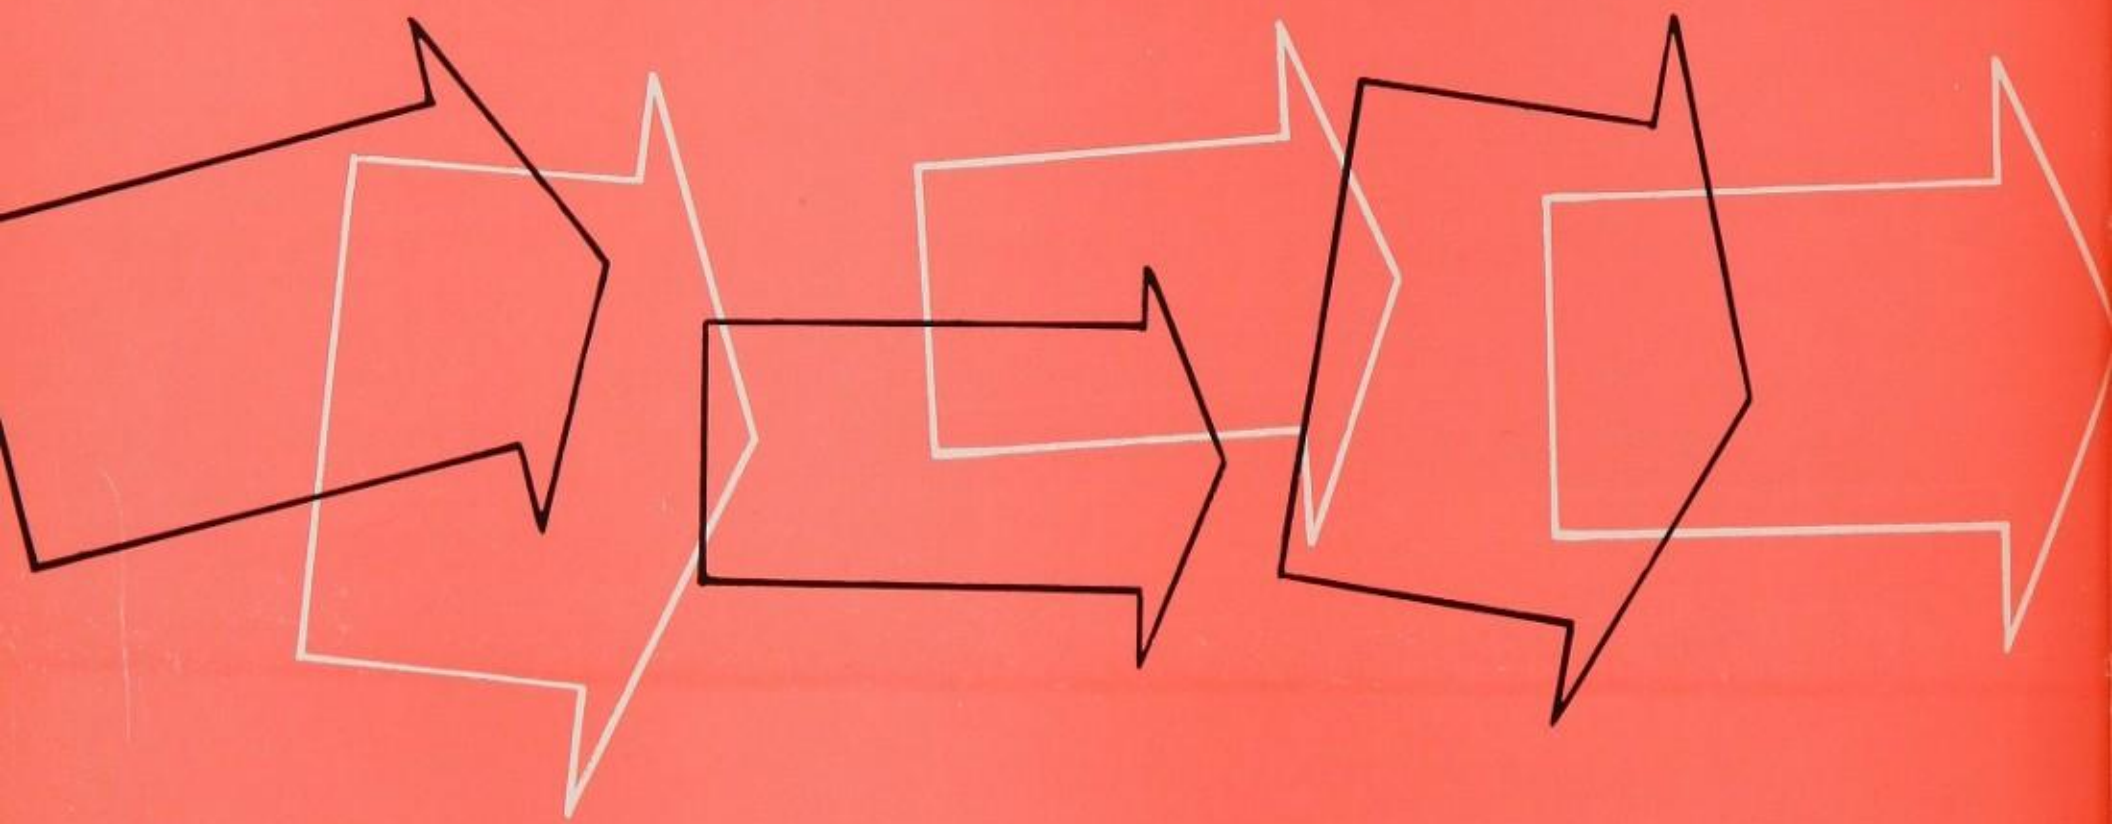


Daisy Mae got her man too!

FAR LEFT: Mary Murphy (Lena the Hyena) and Joe Stuby (Marryin' Sam) dance the "Dogpatch Delight."

LEFT: Mike Ditka (Li'l Abner) figures there's no use runnin' from Betty Cabot (Daisy Mae) any more!

FOREWORD



A FORWARD LOOK

Just as a traveler studies the directional arrows at a crossroad, so do we consider the opportunities open to us as high school graduates.

Realizing that our education is growth; that it means guidance, study, experimentation, and practice; that it prepares us to recognize and pursue valuable goals—we also know that graduation from high school is not an end, but a beginning.

In presenting this current record of personnel and activities in Aliquippa High School, we portray the means by which our education has so far prepared us for useful and progressive roles in a forward-looking society.

September 1956—May 1957! What a year it has been! In these last moments, with "Halls of Ivy" and "Pomp and Circumstance" reminding us of commencement, so many memories crowd in upon our Forward Look. Somehow, the "Alma Mater" sounds stronger and sweeter than ever before.

Thinking back to our banquet and color day and the prom, signing and exchanging pictures, the Hall of Fame, and wearing our class rings, isn't it true that hours spent in fun seem to outnumber the working hours? Of course, we'll not forget trips to the library for senior investigative themes. And thanks to Mrs. Chambers' study groups and the efforts of our guidance counselor Mr. Carifo, the College Boards, the aptitude and employment tests made us even more conscious of our "Forward Look."

While choosing a new class ring was the highlight of our junior year, we remember our first class meeting and the dues drive, Rich Tomei and Choo Choo's hoola dance at the social, winning the WPIAL football title, selling basketball programs, our 8 o'clock Latin scholars and "Woodhue," the prom. Didn't that blue angel hair look like real water?

Remember the day we received our first geometry and geography and bookkeeping books? That we were actually sophomores in senior high school was quite a revelation! Once embarked upon our chosen courses, we quickly forgot that awesome feeling we'd had as freshmen.

HOMEROOM TEACHERS

Seated: (clockwise from left) Mrs. Sarah Chambers, Harry Hartley, Miss Belle Adams, Mrs. Mary George, Mrs. Marilyn Molter, George Kuvinka, class sponsor. **Standing:** Mrs. Blanche McWilliams, Mrs. Marylou Bennett, Lawrence Blaney, Mrs. Helen Mamula, Eric Garing.

Now it seems only yesterday that we entered A.H.S. Though overcome by the impressive auditorium, we soon became familiar with our classmates and teachers, no longer depended upon mis-directions from upperclassmen, and joined our friends in cheering the teams and denouncing those small basement lockers!

Four years! From classrooms and shops, organizations and athletics, teachers and friends, we have a wealth of shining memories as we look forward to our bright years as alumni of the Red & Black, Aliquippa High School.

JUNIORS

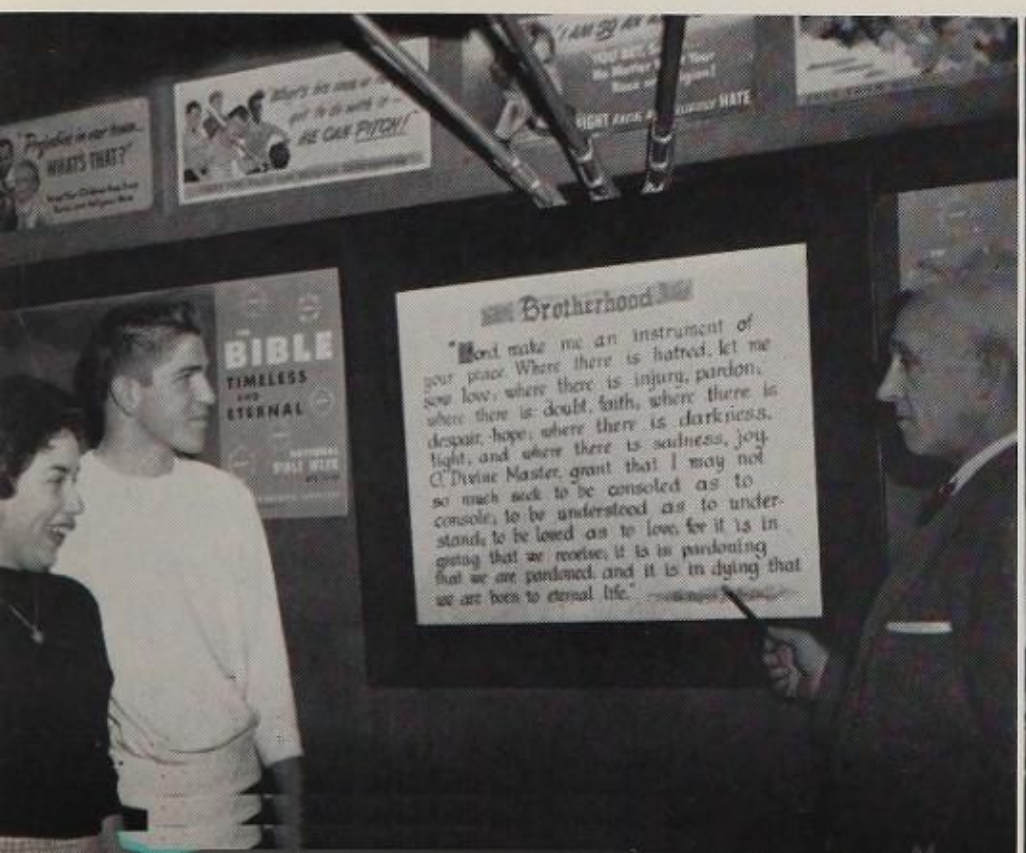
BROTHERHOOD, a unit of study in American history classes, is well expressed in the words of St. Francis of Assisi, here observed by E. Courtinas, A. Ditka, and Mr. Blaney.



BIBLE
TIMELESS AND ETERNAL
Brotherhood
"Lord make me an instrument of your peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love, for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life."

LITERATURE pupils A. Buffalini and J. Bazemore attend to their lessons in Miss Thel's American literature class for juniors.

CLEAN-UP committee members Susan Moore and Vangie Rizopoulos post one of many Student Council signs.

PLANS to relieve hall congestion are outlined by Mr. Ruscitti (center) for P. Dydek, M. Diaddigo, J. Stuby and A. Rossi.

In keeping with the Student Council's purpose of serving the student body and promoting favorable student-faculty relations, action has been taken on many suggestions made by both of these groups. This action has included: efforts to ease hall congestion by erecting "up" and "down" signs at stairways; a clean-campus drive which elicited the help of several school clubs; the accumulation of films for a class film library; and preparations for an exchange assembly with an area high school. The 1956-57 Student Council membership roster has included homeroom representatives and alternates and several standing members with previous experience in Council programs.

For the first time in our Society's school history, separate induction ceremonies for seniors and juniors were held this year. Members previously elected in their junior year were joined by 18 seniors received in November. February's 22 junior inductees swelled the scholars' ranks to 50. Continuing their sales of Christmas cards and popcorn, members have added to the Society's War Memorial Scholarship fund. 1957 marks the tenth year for awarding a $200. scholarship to a deserving alumnus who has completed at least one year of higher education.

To supply vocal music for school and civic programs throughout the year is no small task. But the Girls' Chorus and Choraliers take it in their stride, thanks to the direction of Mrs. McWilliams. With appearances scheduled for holiday programs, the Aliquippa Woman's Club Choral Concert, N.H.S. induction, and the Spring Concert, the girls find their third period rehearsal time a busy one. In addition to a Christmas party held in conjunction with the Bach Choir, the Chorus honors its senior members with a spring banquet.

One group of students who can enjoy the peace and quiet of the auditorium is the organists. Undaunted by the necessity for constant practice of scales and finger and pedal exercises, these pupils devote much time to perfecting their techniques. Several of the advanced students have accompanied our choral groups during special musical programs, provided background music for dramatic productions, and performed for community organizations and our own morning devotions in the auditorium.

Popcorn! Peanuts! Hot-dogs!—Yes, it's the call of a Leader's Club girl heard at all home football games. In addition to their operation of the stadium refreshment booth, members of the Girls' Athletic Leader's Club have served as aides in Mrs. Carver's girls' physical education classes and refereed intramural games after school. They opened their busy year as hosts for the all-county Playday, held a swimming party, and enjoyed themselves at the Christmas banquet, and their annual Alumnae Playnight. Contributing to the Olympic, Cancer, Dick Kadis and Breslin Funds is another accomplishment of this active organization.

"THE MEANING OF CHRISTMAS"

Combining the talents of dramatics students and our choral groups, the Christmas program presented first a family scene in which the individual's thoughts and memories of the holiday were discussed. Music by the Girls' Chorus and Bach Choir, and special scenes depicting the meanings of Christmas were interspersed throughout the dialogue.

JOHN MOORE (white uniform) breaks up an Ellwood City pass.

Aliquippa blanked Westinghouse 13-0 in the season opener which saw fullback John Moore notch the Red & Black's first score. John Sakal's 14 yard touchdown pass to Mike Ditka was only the beginning of the boys' dual efforts to keep Aliquippa in the win column. Ocie Patrick's plunge garnered the extra point.

While outplaying McKeesport in statistics, the Quips' only score in a 25-6 loss had its beginning deep in Tiger territory. A pass from Sakal to Ditka, who in turn lateraled to Bob Rembert, kept Aliquippa in the game.

Dick Oxendine, John Malesh, Patrick, and Rembert notched TD's for Aliquippa while John Ross and Moore added extra points in the Quips' 26-0 romp over Ellwood City.

Oxendine's intercepted pass, Moore's plunge, and Patrick's 60 yard run accounted for the Quips' 27-27 deadlock with North Catholic until Sakal's quarterback sneak gave the Red & Black a 32-27 win. Moore's kick and a Sakal-to-Rembert pass earned extra points.

In Aliquippa's 27-7 win over Erie Tech, John Sakal uncorked passes to Rembert (2) and Oxendine for three TD's while Ditka smacked over from ten yards out. Extra points came after kicks by Moore (2) and Ross.

A four yard TD plunge and extra point by Moore opened scoring in a hard fought battle with Sharon. But Ocie Patrick's two yard plunge and a 35 yard Sakal-Oxendine pass play weren't enough to top Sharon's 20 points.

Two Sakal-Oxendine pass plays for TD's and three extra point kicks by Ross highlighted the Quips' 34-12 drubbing of Beaver Falls. Ditka and Moore scored on nine and ten yard runs while Sakal notched the final score on a one yard sneak. Injuries to Bob Rembert and Pete Belich sidelined the boys for the remainder of the season.

Duquesne topped Aliquippa 28-13 in a contest which saw sophomore Tony Calabria break into the scoring column with a 15 yard run. A 14 yard Sakal-Oxendine pass and another Ross placement completed Red & Black scoring.

Moore capped a 69 yard drive with a two yard plunge for the Quips' initial score in the Ambridge contest. Sakal's pass to Oxendine triggered a 65 yard run for Aliquippa's final score in a 53-13 Bridger triumph.

YOU TAKE IT!—Rebounders Pete Suder (16) and Rich Oxendine (11) take to the air as John Sakal (13) and the Beaver Falls Tigers look on.

Junior Richard Oxendine garnered 16 points in the Quips' lopsided 80-25 win over Bethel Township in the exhibition opener. Weak foul shooting was a contributing factor when the McKeesport Tigers' 52-32 victory allowed Art Jones only nine points as top scorer for Aliquippa. The Red & Black next topped Coraopolis 45-34 as Pete Suder dropped 11 points to lead Quip scoring. Mike Ditka's ten point spree helped the Quips notch their third exhibition win over Westinghouse, 44-37. Though outgoaled by one, Johnstown exhibited superior foul shooting in their 66-55 win. Ditka again led Aliquippa with 12 points. Spectator tempers flared in the Monessen contest as the Red & Black swallowed a 59-41 defeat, marred somewhat by poor foul-calling. Jones' 15 points led the Quips.

Entering the year's end Ford City tournament as a "weak sister," Aliquippa upset the host team 54-41 as Suder garnered 21 points. In their second and final game, the Quips fought McKeesport down to the wire in a 62-57 contest which gave the Tigers the championship and Aliquippa a well-earned runner-up title. In three exhibition games held during the ensuing Section III schedule, Jones netted 27 points in Aliquippa's 61-50 win over North Catholic; Suder led the victorious Quips with 25 points and 27 points in games with Turtle Creek and Monaca's Section VII champs.

Art Jones' 22 points helped the Quips spell victory in the 62-45 Section III opener with Beaver Falls. Suder contributed 20 points in the second encounter which saw the Tigers reverse matters with a 62-58 win over Aliquippa.

Lacking the extra push to stay ahead, the Quips overcame early leads in both Sharon contests only to lose 39-50 and 43-51. Jones led scoring with 19 points in the first meeting, and Suder notched 15 in the second.

MANAGERS

Posting a phenomenal record at the foul line, New Castle's Hurricanes swept over Aliquippa 80-56 in their first encounter. Sweet revenge came on the Red & Black's home floor as Suder netted 28 points to lead Aliquippa in the 67-46 win. Though tight defense gave the Quips an easy 55-27 win over Ellwood City in first half competition, the Wolverines returned to nip the Quips' heels for a near upset. Suder, who led scoring in both games, dunked 21 points to keep Aliquippa ahead in the second 53-50 win.

That Aliquippa had the hustle but lacked the ammunition was evident in their first contest with Farrell as the Steelers withstood a last-minute Quip onslaught and claimed the 61-51 victory. Revenge later eluded the Red & Black who dropped an overtime tilt 73-71 to the Steelers. Suder was high point man with 15 points on the Farrell court while Ditka's 21 points sparked the home appearance.

Scoring honors in Aliquippa's easy victories over Ambridge again went to Jones with 21 points and Suder who equalled the feat in the season finale.

Experience and practice paid off as Aliquippa's junior varsity squad, composed almost entirely of last year's undefeated junior high team, posted a 13-8 record for 1957. Scoring and rebounding honors were divided among sophomores Charles Cain and Joe Maddrey and junior Ashton Ditka, with each of the boys accounting for over 100 points in the score column. Sellars, outstanding performer in the broad jump event, earned both the state and county titles while setting a school record with a 22' 11¾" jump. Cornesky placed second in the state with his 12' pole vault.

Participating in nine meets, the Quips' most impressive showing occurred at the Shaler Invitational meet when the team copped first place in seven events: Rich Oxendine—high hurdles; Compston—low hurdles; Sellars—broad jump and 220 dash; Art Powell—javelin; Cornesky—pole vault; mile relay.

Boasting only one experienced member, Aliquippa's WPIAL Section VII golf team posted a 1-3 record for the 1956 season. The Quips dropped two matches each to Ambridge, Moon Township, and Coraopolis, while taking both rounds from Monaca High School. With a year's experience behind them, the 1957 squad anticipates an improved record and the possible addition of two WPIAL opponents to their schedule.

QUIP MOUNDSMEN PLACE SECOND IN WPIAL SECTION VII

Coach Mike Dzvonar's Aliquippa nine placed second in WPIAL Section VII competition with a league record of five wins and three losses for the 1956 season. After posting a 1-1 record in exhibition play, the Quips sent Pete Suder to the mound for the league opener with Ambridge. Bob Rockwell's double drove in the deciding run as Suder pitched a two-hitter and struck out 11 Bridgers in the 4-2 victory.

In his first high school start, junior Joe Stuby shut out the powerful Beaver Falls nine, 11-0, in a brilliant performance which also saw Suder, John Moore, and Mike Ditka wield the big bats. Undefeated Ellwood City broke the Quips' win streak and Suder was charged with the 5-2 loss. Stuby was credited with his first loss as poor fielding made the difference in Aliquippa's second meeting with Ambridge.

John Moore's three hits and two apiece by Roland Kennedy and Suder led the parade as the Red & Black trounced Rochester 9-1. Stuby earned the win which featured eight strikeouts.

Aliquippa's title hopes grew as four-hit pitching by Suder and Moore's homerun knocked off the front running Ellwood City Wolverines 3-1. In their second win over Rochester, the Quips boasted two freshman standouts with Dave Young in the pitcher's box and Chuck Suder belting two long doubles in the 3-2 victory.

Prospects of a possible title playoff with Ellwood City hung in the balance as the Red & Black faced Beaver Falls in the final league game. Homeruns by Suder and sophomore Kurt Shaffer were not enough, however, as the Tigers turned the tables with a 12-6 victory.

Heavy favorites to capture the section title in 1957, the Quips expect to field a team largely composed of returning lettermen. Roland Kennedy, Nick Colafella, and Bill Griffin concluded their Red & Black baseball careers with the 1956 season.

BOYS' & GIRLS' INTRAMURAL BOWLING

Director

MONDAY REGULARS—Jim Harden, George Hredzak, Angelo Scarsella, Tom Kanyak, Mr. Adams, Leroy Byers, and Robert Katchur get ready to roll 'em.

As we go to press, the boys' and girls' intramural bowling season is nearing completion. Leading contenders for the boys' team championship are the Aces (18-2) and Hot Rods (17-3). The Red Wings (18-2) and Racers (17-3) lead in girls' competition. Bert Cohen and George Savage have posted records for the boys with identical scores of 182 for a single game. High scorers for the girls are Ethel Pillar (150) and Mary Ann Diaddigo (149).

PIN BOY George Hredzak takes his turn.

Director

TOUCH FOOTBALL opened the boys' intramural program with five senior and four junior teams participating in twice-weekly contests during October and November. The Catalinas, captained by Luther Smith, took the senior division championship. Junior division winners were the Junior Quips, John Wimbs, captain.

INTRAMURAL BASKETBALL, with 21 teams participating, is drawing to a close as we go to press. Of the 15 senior teams, the Crusaders and Negotiators, captained by Wally Karas and Anderson Evans respectively, are in a tight race for the title. Leroy Bryant's Tennessees may go undefeated in the six-team junior division.

VOLLEYBALL, an early spring sport, has attracted 11 boys' teams. With the current program calling for each team to meet its opponents in a set of three 15-point games, this intramural sport will be concluded on April 12.

SOFTBALL league play, scheduled to get underway following the Easter vacation, is expected to attract boys' teams in both the senior and junior divisions. Barring inclement weather, the intramural program will close on May 24.

BACH CHOIR members pause between numbers.

our backward glance--we have so much to remember!

People 'n Places

We were good salesmen.

PRIZE WINNING magazine salesmen Rudy Tatalovich and Dom Garbini receive awards from Mike Ditka (right), Louis Wagner, and Steve Fedorchak of the Varsity Club.

GET YOUR PROGRAM from senior salesmen Carol Marks and Margie Dougherty.

We tried everything--at least once!

At the refreshment booth.

POSTURE ASSEMBLY participant Susan Moore walks the chalk line.

NORBERT SLEZAK tries the trampolene as John Lowe looks on.

We had fun.

SENIOR CLASS wit Arnold Magnelli, in one of his more serious moments, dramatizes the forward look.

The best is safe...with steel on duty

Safe shipment of a product depends on the shipping container. For certain products, only Steel Drums or Pails can provide adequate protection, ease of handling and convenience of storing.

Jones & Laughlin Steel Drums and Pails guard against damage and loss in handling and storing of products like those made by the oil, chemical, paint, food and drug industries.

Packaging engineers, designers, and production management in those industries know that J&L Steel Drums and Pails are safe and sound packages.

And colorful decorations on J&L Drums and Pails dress up their products, make sales easier.

Dependable quality Jones & Laughlin Steel—carefully fabricated in J&L Container Division Plants—assures consistent performance from J&L Steel Drums and Pails.
